Pre-K3's August Newsletter

Highlights Of August

Masha-Allah, our Pre-K3 students are getting used to the class routine and have settled in nicely. We can not thank you enough for your support and co-operation in helping your little ones transition into the school environment.

These past weeks in Pre-K3 have been quite busy. We had our mini hajj event and Eid class parties that the students enjoyed thoroughly. This could not have been possible without our wonderful Parental support, JazakAllah!

Our Pre-K3 dig theme that we are covering is, "At School." Children are learning how to become efficient students. We introduced our letter People that will be helping our students learn their letters in a fun way! We are also learning about segmenting syllables and simple patterns.

JazkaAllah, for all that you do for your children!
