

SEPTEMBER 2019

PRE K 3

NEWSLETTER

What We Are Learning?

Masha-Allah, our Pre-K3 students are becoming more and more independent each day! It's amazing to see them transform from their first days of school! We can not thank you enough for your support and cooperation in helping your little ones transition.

Our Pre-K3 DiG theme that we are covering is "All About Me." Children are learning about themselves and others and getting to know how different and special we all are. We learned the letters "N, W, P and H." We have sounded out, traced and made crafts for each letter. We explored on our five senses, helping them learn by experimenting them through different experiences. In Math we learned about patterns and introduced one-to-one correspondence.

Jazak'Allah Khairun for all that you do for our Pre-K3 Students and our Class!
